

Schedule 3 - Credentials for Validation of Assessment

3A. Validation of assessment for training products excluding the TAE Training Package

For all validation activity (except for TAE), at least one of the people undertaking the validation must have one of the following training and assessment validation credentials:

- *TAE40122 Certificate IV in Training and Assessment* or its successor,
- *TAE40116 Certificate IV in Training and Assessment*,
- *TAE40110 Certificate IV in Training and Assessment*,
- A secondary teaching qualification (*see Section 6 Definitions*) and *TAESS00024 VET Delivered to School Students Teacher Enhancement Skill Set* or its successor,
- *TAESS00019 Assessor Skill Set* or its successor,
- *TAESS00011 Assessor Skill Set*,
- *TAESS00001 Assessor Skill Set*, or
- A diploma or higher-level qualification in adult education or vocational education and training (*see Section 6 Definitions*).

3B. Validation of assessment for AQF qualifications or skill sets from the TAE Training Package

To validate in relation to any AQF qualification or skill set from the TAE Training Package that enables individuals to make assessment judgements, at least one of the people undertaking the validation activity must have an AQF **qualification or skill set at least to the level being validated**.
