Section 2 - Authority

- (2) Authority for this document is established by the [Student Conduct Policy](#).

Section 3 - Scope

It relates to the implementation of the [Student Conduct Regulations](#), [Student Conduct Policy](#), and corresponding procedures regarding student conduct and the management of student misconduct.

(4) Nothing in this procedure prevents an officer or Senior Officer from taking precautionary measures at any time to address or manage a safety concern.

Section 4 - Procedure

Submission and Eligibility Requirements

(5) All appeals concerning student misconduct decisions must be submitted in accordance with the [Student Conduct Regulations](#), [Student Conduct Policy](#) and corresponding procedures. Only a student who has been the subject of a finding of misconduct may apply to appeal a determination.

(6) Subject to satisfying the eligibility criteria described in this procedure, a student may apply to the Academic Registrar (or delegate) to request a hearing of the Student Conduct Appeals Committee to consider an appeal against a misconduct decision made by:

- a Senior Officer, or
- the Student Conduct Board.

(7) The appeal may relate to one or both of the following:

- the misconduct decision (findings of fact), or
- the consequences or penalty applied.

Grounds of Appeal

- (8) The grounds on which a student may seek to appeal are limited to one or more of the following:
- a. that the determination was made based on personal bias
 - b. that there has been a breach of RMIT legislation, regulation, policy or procedure in the course of the determination, which has substantially affected or been determinative of the outcome of the matter, or the penalty or consequence applied
 - c. that the consequences or penalties applied are unreasonable, excessive, or inappropriate
 - d. that there is new supporting material or evidence of a substantial nature that:
 - i. could not reasonably have been provided at the time of the original hearing or there was no reasonable opportunity to make a written submission (as appropriate), and
 - ii. this material or evidence would likely have substantially affected or been determinative of the outcome of the matter, or the penalty or consequences applied.

Eligibility Criteria

- (9) The appeal application must meet the following eligibility criteria:
- a. applications must be in the form prescribed by the Academic Registrar (or delegate);
 - b. applications must be in writing and sufficiently address the selected ground/s of the appeal;
 - c. applications must include the evidence on which the student relies to support the ground/s of appeal;
 - d. applications must have sufficient merit or substance to warrant review or hearing under this procedure; and
 - e. applications must be lodged within 20 working days from the date of the Student Conduct Board or Senior Officer's formal outcome notification.
- (10) The Academic Registrar (or delegate) will assess whether an application has sufficient merit or substance to warrant review or hearing under this procedure under (9)(d), having regard to the application as a whole, including but not limited to whether it:
- a. includes submissions or new evidence or material of a substantial nature which support the grounds of appeal;
 - b. vexatious, unreasonable, untenable, frivolous, misconceived, or is made with a lack of good faith;
 - c. seeks outcomes or processes which are not within the powers or functions of the Student Conduct Appeals Committee;
 - d. relates to a decision which is not within the scope of review of the Student Conduct Appeals Committee;
 - e. does not disclose a reasonable basis for the Academic Registrar (or delegate) to consider it could possibly succeed on appeal.
- (11) The Academic Registrar (or delegate) will commence assessment of complete application submissions within 10 working days of lodgement. For the avoidance of doubt, a complete submission comprises the documentation referenced at clause 9, sub-clauses (a) to (c).
- (12) Where it is determined by the Academic Registrar (or delegate) that an application has not satisfied the eligibility criteria in clause (9), the application will not proceed to a hearing.
- (13) Where it is determined by the Academic Registrar (or delegate) that an application has satisfied the eligibility criteria in clause (9), the application will proceed to a hearing.
- (14) Where an application proceeds to a hearing, the Senior Officer or the Student Conduct Board Secretary (as appropriate) will provide the Academic Registrar (or delegate) with all documentation relevant to the original

determination to enable distribution to the appellant student and Student Conduct Appeals Committee members when the hearing is scheduled.

(15) The determination of the Academic Registrar (or delegate) that an application will proceed to a hearing:

- a. does not mean that an appeal, when heard, will be successful, and
- b. does not affect or determine the substantive outcome of the appeal.

(16) Where the Academic Registrar (or delegate) has determined that an application has not satisfied the eligibility criteria in clause (9), the applicant student will be provided with reasons for the determination and advised of their right to seek external review of the Academic Registrar's(or delegate's) assessment by the [Victorian Ombudsman](#).
