(6) Any marketing or recruitment material produced by third-party providers must be approved by the RMIT Program Manager (or nominee) for HE awards, and the Cluster Director (or nominee) for VE awards. Third-party providers must ensure that information for current and prospective students is up to date and accurate in accordance with the [Program and Course Policy](#) and related procedures.

(12) Selection outcomes are decided by RMIT staff, except in the instance where a third-party provider is expressly authorised to do so by the Academic Registrar.

(13) The Academic Registrar retains accountability for any selection outcome decisions made by third-party staff, where authorised, and conducts regular quality assurance reviews of these decisions to ensure alignment with RMIT policy and selection criteria.

(14) Records of any written offers made to applicants for programs delivered by third-party providers are kept by RMIT in accordance with the [Privacy Policy](#) and the [Retention and Disposal Standard](#).
